

Marlyn Angeles

**Manila, Philippines, ACC
Certified Coach
Shared Leadership Team Coach
Job & Career Transition/Development Coach
Solution Focused Coach**

Marlyn Angeles, a faculty member at LIM Phil, has over 28 years of executive experience in government and finance. She dedicated 20 years to public service at the Department of Trade and Industry, creating human development programs for small and medium enterprises in partnership with international agencies. Additionally, she spent 15 years in the private sector with a leading credit card company, focusing on strategic planning and customer service excellence.

As a coach with a decade of experience, Marlyn is certified as an Associate Certified Coach (ACC) by the International Coaching Federation and holds several other coaching certifications. In 2024, she earned the Certified Job and Career Transition/Development Coach (JCTC) designation and completed Emotional Agility training. Her coaching methodology emphasizes holistic development to help clients navigate personal and professional transitions.

Marlyn also has extensive consulting experience in leadership training and development, working with various organizations to enhance customer service and operational efficiency to align with their mission and goals.

Passionate about nonviolent communication, she engages in programs preparing couples for married life, promoting empathetic dialogue and meaningful relationships.

Areas of Interest and Capability:

- Workshop Facilitation
- Designing and Delivering Workshops on Communications
- Transition Coaching and Emotions-centered coaching
- Facilitating strategic thinking and planning
